

Supporting parents/carers of children and young people with additional needs.

Listening ear 4 U offers support, activities & advice to parents and carers of children & young adults with additional needs aged between 0 - 25 years.

We are a parent led group that run coffee mornings across the city and our activities include messy play, meet ups, cinema sessions, sessions at rebound and much more!

We are a friendly and welcoming group who understand the struggles that parents/carers face. We are here to help as much or as little as people need.
