

Class 1- home school curriculum overview Spring term

Our theme focus for this term **People & Places**

Please share any special celebrations with us

<p>Maths: In maths we are exploring numbers 1-5 & 1-10</p> <p><i>Can you recognise numbers in your environment?</i></p>  <p>You could explore this at home with your child by encouraging counting or even listening to counting songs in the car or at home.</p>	<p>Science: we have been exploring and investigating with planting seeds.</p> <p>we have been exploring Identifies of a tree, plant, flower, soil and water.</p>  <p>You could plant some cress at home</p>	<p>PE: Dance This term our focus in PE is to learn a new dance or a new action song</p> <p>We have been learning some ring games such as Ring a roses</p>  <p>Try this at home or another action song.</p>
<p>English: We are exploring the book Let's Explore Ted through a range of exploratory experiences</p> 	<p>English: writing We have been practicing our fine motor skills to help us make marks and form letters</p> <p><i>Could you set up your own fine motor workout at home? This could include threading pasta and kneading dough.</i></p>	<p>History Our pupils will look at Recognising themselves and family members in present and past photos</p>  <p>Look at photo's , who can you recognise in the family, or places you have been</p>

PSHE/Being healthy:

We have been exploring healthy bodies.

We have made some healthy sandwiches and done some vegetable printing

Why not try a healthy smoothie at home

Geography:

we have been exploring the world around us. Through hands on experiences we have explored: Antarctica, Jungle and Underwater

Have you been to the deep?

RE

We will take part in some religious festivals such as Easter, cross, Good Friday, Easter Sunday

What special times do you celebrate?
