Not so long ago, to help make sure that the pupils who needed it were able to access a special school place, we worked with the local authority to make a place called Little Stars, which grew from 1 class to 2. Over the years, Andrea and her team created a magical place for our pupils to start their journey at Tweendykes.

As we break off for the Summer I would like to take the time to thank all the parents, carers, teachers, support staff, office team, professionals we work with for their hard work and support in making Tweendykes the magical place it is. Have a wonderful Summer... I'm looking forward to another great year with you in 2023-24!

Pierre.

Thank you to all the pupils and staff who came to join in the celebrations for our 13 students who are leaving this year! Ex-student Michael kindly volunteered as our DJ for the day, and everyone had a fantastic time in the disco. We wish all of the leavers the very best of luck for their next steps into adult life, and we will miss them all!
